### **Camilion Solutions Wins Company-to-Watch Recognition**

*Named as winner by the 2005 Deloitte Technology Fast 50 Program*

**TORONTO, ON— October 31, 2005**— Camilion Solutions, the leading provider of product management solutions for the financial services industry, has been named to Deloitte's prestigious Companies-to-Watch award, the annual program that identifies the next generation of technology overachievers in conjunction with the Deloitte Technology Fast 50 awards program. The Fast 50 and new awards categories recognize excellence, innovation and the fastest growing tech companies in Canada. Rankings on the actual Fast 50 are based on percentage of growth in fiscal year revenues over five years, from 2000–2004. This is Camilion's first year on the list.

“We’re extremely pleased to be recognized with the top technology companies in Canada,” said Ross Orrett, President and CEO, Camilion Solutions. “Camilion is singularly focused on delivering the best product management solutions for the financial services industry. With our increasing client base and aggressive strategy for growth, we look forward to participating again next year.”

“Deloitte has taken a new approach to the Fast 50 program to recognize that as the tech sector in Canada develops, the dynamics are changing,” said Garry Foster, National Director, Technology, Media & Telecommunications, Deloitte. “Deloitte applauds Camilion Solutions for placing as a Company-to-Watch and having the long-term vision to develop technologies that change the way we work.”
