Camilion Solutions Ranked the 7th Fastest-Growing Technology Company in Canada in the Deloitte Fast 50

Canada's most prestigious technology award program celebrates a decade of Canadian technology innovation, growth and entrepreneurial spirit

TORONTO, September 20, 2007 – Camilion Solutions, a leading provider of product development and next-generation policy administration systems to the insurance industry, today announced that the company has been ranked among the Deloitte Technology Fast 50, a ranking of the 50 fastest-growing technology companies in Canada, based on the percentage of revenue growth over five years. Camilion's increase in revenues of 9,162 percent from 2002 to 2006 resulted in a 7th ranking.

Camilion's CEO Ross Orrett credits the companies' deep knowledge of the insurance industry, dedicated team and fast-growing acceptance in the U.S. insurance market for Camilion's early stage success. Orrett said, "Being ranked in the Deloitte Technology Fast 50 is a prestigious honour for Camilion. We are very pleased to be recognized as one of the fastest- growing companies in Canada. This award validates our team's continuous dedication to technology excellence and our commitment to deliver innovative, world-class solutions to the insurance market."

"Canadian technology companies have some of the highest revenue growth in North America, while playing in some of the world's largest most competitive and exciting market sectors," explains John Ruffolo, National Leader, Technology, Media & Telecommunications Industry Group, Deloitte. "Outstanding companies such as Camilion demonstrate the incredible business acumen and entrepreneurial spirit that fuel the Canadian technology industry."

To qualify for the Deloitte Technology Fast 50 ranking, companies must have been in business for a least five years, have revenues of at least \$5 million, be headquartered in Canada, own proprietary technology, and conduct research and development activities in Canada. A panel of subject matter experts evaluates and judges companies based on four

key criteria: competitive advantage; size, growth and market attractiveness; management effectiveness and organization; and financial performance.

About the Deloitte Technology Fast 50

This year marks the 10th anniversary of the Deloitte Technology Fast 50 program, which celebrates business growth, innovation and entrepreneurship. The program features four distinct categories including the Deloitte Technology Fast 50 Ranking, Companies-to-Watch Awards (honouring early-stage Canadian technology companies in business less than five years), Leadership Awards (Deloitte Technology Fast 50-ranked companies that demonstrate leadership in each of the four industry subcategories of emerging technologies, hardware, software, and telecommunications) and the Deloitte Technology Green 15 Awards (honouring companies creating innovative and economically viable intellectual property in the burgeoning field of green technology). Deloitte Technology Fast 50 winners are automatically eligible for the prestigious Deloitte Technology Fast 500 ranking. Program sponsors include Deloitte Gowlings, GrowthWorks, CIBC World Markets, Stonewood Group, Behr & Associates and CATA Alliance. For future information, visit www.fast50.ca or call 1-888-6FAST50.
