Camilion Solutions™ Ranks 23 in PROFIT 100 – Canada’s Fastest Growing Companies

2893% Revenue Growth in Five Years Secures Position in the Top 25

Toronto, ON – June 8, 2009 – Camilion Solutions, a leading provider of product development solutions for financial services and modern P&C insurance policy administration systems that create product agility, today announced that it has been recognized as the 23rd Fastest-Growing Company in the 21st annual PROFIT 100 ranking of Canada’s Fastest-Growing Companies by PROFIT Magazine. PROFIT 100 is the definitive ranking of Canada’s top entrepreneurial firms. PROFIT 100 companies have grown their annual revenue by an average of 2,262% over the past five years (2003-08), and no company on the list grew by less than 899%. Eligible to appear on the list for the first time this year, Camilion grew its revenue by 2893% in the past five years.

“We are thrilled to be recognized as one of Canada’s most successful growth companies by PROFIT 100 and to be associated with so many great entrepreneurial organizations. This accomplishment is a testament to the dedication and hard work of our winning team, their tenacity and ability to execute,” said Ross Orrett, President & CEO, Camilion Solutions Inc. “With our sights locked on building a great software company, we are enjoying strong financial health and expect to double our revenue in our next fiscal year as we continue to focus on delivering world class solutions for mid-to-large sized financial services organizations to help them attain enterprise product agility, reduce costs and accelerate product time to market..”

“The PROFIT 100 are an inspiration to entrepreneurs at all stages of growth, from startup to major corporation,” says Ian Portsmouth, editor of PROFIT. “Their business practices and product innovations are exemplary of how businesses can succeed in uncertain times.”
